Order

No. 37/113/2008/MAG/4787

Section 144 of Code of Criminal Procedure, 1973

Read: Minutes of the meeting held on
22-05-2012 at Collectorate of South.

Whereas, during the meeting of the District Co-ordination Committee for the Prevention of Vector Borne Diseases held on 22-05-2012 at Collectorate South, it has been revealed that during the monsoon the scrap tyres which are spread all over the District of South Goa are the most favourable places for the mosquito breeding which cause diseases like Malaria, Chikungunya, etc.

And Whereas, in the Public interest in order to prevent danger to human life, health and safety, it is necessary that these tyres should be removed before the onset of the monsoon.

It is further reported that as the tyres do not have much monetary value inspite of repeated directions, the owners of the tyres did not show any interest for the removal and disposal. Hence these tyres shall be collected by Health Authority.

And Whereas, the circumstances do not permit serving of the notice in due time individually.

Therefore, on being satisfied with the recommendation of the committee, I, N. D. Agrawal, Collector & District Magistrate in exercise of powers vested in me under Section 144 of the Code of Criminal Procedure, 1973 do hereby order that the citizens/owners of the tyres should get rid of the scrapped tyres found dumped in the open space before 31-05-2012, failing which the same will be collected and disposed off by the Public Health Authority and no further claim for these tyres will be considered.

Any person contravening this order shall be punishable under Section 188 of the Indian Penal Code.

Given under my hand and seal of this office on 29th May, 2012.

N. D. Agrawal,
Collector & District Magistrate,
South Goa District, Margao.
